

ST PETER & ST PAUL, DEDDINGTON

ORGANIST / DIRECTOR OF MUSIC

St Peter & St Paul Church, Deddington, is looking to appoint an Organist/Director of Music to replace the present Director who is retiring in the summer of 2017.

Ideally we would like a competent organist who would also direct the choir, but we would very willing to accept a musician who would be happy to play for services and rehearsals while an experienced member of the choir directed. This would an ideal opportunity for a young musician to gain experience. For a full description of what we would like, and importantly of what we would accept, go to our website www.deddingtonchurch.org.
