

Deddington, SS Peter & Paul

We seek an **Organist/Director of Music** to lead music in our large village parish church where fine music plays a key part in worship.

Pattern of services:

1st Sunday: BCP Evensong

2nd and 3rd Sundays: Sung Common Worship Eucharist

4th Sunday: Less formal Eucharist

Also festivals, weddings and funerals.

We have a **four-part choir** in waiting – our church has a distinguished choral tradition, and we hope our new Director of Music will build on this.

Formal services are accompanied on a **two-manual Binns organ**, while

informal services use a **Steinway Grand** piano.

The ideal person would be sympathetic to our worship tradition, and be an experienced organist and pianist, and also have good musical, interpersonal and organisational skills.

Contract and salary within RSCM guidelines, with additional fees for extra services.
