

St. Laurence, Winslow, Bucks is seeking a part time organist to work alongside our Director of Music. Initially the organist would be asked to play on the first Sunday of the month at the 9:30 am Sung Eucharist (Common Worship) and at Evensong (Book of Common Prayer) 6 p.m on the second Sunday of the month. Opportunities may arise to play more regularly at festivals, weddings and, funerals.

St. Laurence is a RSCM church with a strong and long established choral tradition. Our worship tradition is Modern Catholic, and we enjoy a wide range of music from traditional hymns, anthems and psalms to modern worship songs. Choir practice takes place on Friday evenings and the successful applicant would be asked to attend on the first Friday of the month. Average Sunday attendance is in the region of 100. We would be delighted to consider applications from experienced church organists and, from those looking to develop their skills. We would also be happy to talk to candidates who may prefer, initially, to join us for an initial period leading to the possibility of a full time appointment. We are a warm, diverse, growing and inclusive community.
